

**Streator RC Flyers Newsletter**  
**August 14, 2019**

The July 19th meeting held at the field was called to order at 6:30. Treasurer's report was read. This was seconded by Dale Chiavene.

There was a motion to buy a new first aid kit, but it was determined that the present first aid kit was fine and a new purchase was not needed.

It was proposed to buy a new warbird model from Brian Burcar to be raffled at the upcoming warbird event.

Mention to adjourn was made by Jim Underwood.

Next club meeting will be held at the field on August 21st, 2019 at 6:30 pm.

---

**Important Club Business**

We need to define what constitutes a quorum. This will determine the minimum number of members needed to hold a meeting and conduct business. The proposed new bylaw will read, "There shall be seven members present, two of which must be an officer, to hold a meeting and to conduct club business." It is important to come to this meeting to vote on this addition to the bylaws.

---

The June 19th and 20th Peoria Warbird is in the books. Thank you to all the Peoria RC members for putting on such a great event. Despite their best efforts, the turnout was low due to very hot weather. Thank you to the SRCF members who came out to show support. It was hot but still a great time.
