

Streator RC Flyers

Newsletter for November 2021

November 17, 2021. Well here we are at the last meeting of the year. Next March is the next scheduled club meeting. As I am sure everyone knows, the field will stay open to members through out the Winter for those brave enough to fight the cold and wind. For others It is time to start building / repairing planes for next year.

Ok, I am burying the lead. President Randy Bond called the meeting to order at 1840. The minutes for the October meeting were read by Aaron Delaney and the Treasurer's Report was read by Treasurer John Chorak.

Under New business Randy read the list of nominees for Club Officers, asked if there were any additions to be made. No one was added and, since there was just one person nominated for each position, made a motion to accept the list as the New Officer list.

New Officers are(Drum roll): President- Mike (Fitz) Fitzpatrick

Vice President-Brian Burcar

Treasurer/Secretary-Aaron Delaney

Safety Officer-Ed Kahon

We would like to welcome them to their new positions. Many thanks to the out going Officers, most with many years of service in various Club Officer positions. Thank you, Thank you, Thank you!

Moving on. The purchase of a fuel caddy for the field was discussed to alleviate the gas issue. Ed Kahon is looking into that and it will be taken up at the next meeting. Dan Jones brought up the idea of have an non-sanctioned camp and fly on the Fourth of July

weekend and it was agreed that that would be a fun time and we will have more on that in the future.

The possibility of purchasing the field was also discussed and was tabled due to expense. Not sure this is dead yet.

Old News: We locked in the dates for the 2022 events. The Dave Goerne Memorial Fly-In is set for June 11th and 12th, 2022. Frank Neumann is CD. Aaron Delaney will be CD for the Warbirds and Classics on Sept. 15th, 16th and 17th. This will be a change from 2021. The event has been moved up a week and will be held on Thurs, Fri. and Sat.

Lastly, the question of the need for a Board of Directors was addressed. This as opposed to our Executive Board (Our Club Officers). It was explained that the Board of Director is needed to properly fill out the Illinois not for profit corporation forms.

Also we would like to thank all members for a fun and safe year of flying. And for the donation of time spent on upgrades to the field and set up of Events. Thanks to, as mentioned above to all out going Officers and lets not forget our ever vigilant grounds keeper Dave Drysdale.

Hope you all have a great Holiday Season and can't wait to see you all on the field in the Spring!
