A Note from the President's Couch

The upcoming September meeting is an important meeting. We will be finalizing plans for the Warbird and Classics Fly-in. We need volunteers to help make this successful as this is our main event of the year. I have traveled to many events in Illinois this year and have been approached by many pilots telling me that they are looking forward to attending this event. I have received many compliments on how our events are run, how well everyone was treated and how nice our field is overall. This is due to our members at Streator RC Flyers doing a phenomenal job promoting this great hobby.
